

March 2009

Dear friend,

Even in this topsy-turvy world, missionary work continues. Our next trip to the Bucerias area in Nayarit Mexico just north of Puerto Vallarta is coming fast....May 28 to June 1st. We have a fun target for our group. A government preschool in the poorest section of Bucerias. About 100 children 4 to 6 years old: 38 kids in preschool and 60 kindergarteners.

This school is close to our church and we hope to buy t-shirts for the kids, with directions to the church on them and a fun design to color. Our 2 churches, both English and Spanish speaking will be helping our team. Our first interns, Biff & Sarah Cooper will be there in March. We still need 4 more interns to help with the church youth groups. Please get the word out.

We do need financial help with:

- Bibles
- Glasses
- T-shirts
- Children's Ministry materials
- Christian literature in Spanish
- Water for the older people waiting (like me)

If you can join the 20 from the USA that are already going we need you.

We need help with our Family Photo ministry, Children's Ministry, our Vision ministry giving reading & prescription glasses, helping with the dentists, doctors and playing with the children. Can you?? If you fly from LAX with us it is \$935.00 and if you provide your own air it is \$535.00. It is a rewarding trip from Thursday May 28 to Monday June 1. It is less than a 3 hour flight from LAX.

You can help by giving, praying and coming with us.. will you do one or more of these requests?

Sowing for eternity..

Yours truly,

A handwritten signature in black ink that reads "George".

Pastor George
